

Curriculum Vitae

• Personnel informations

Name: Liliana Dumitrache

Date and Place of Birth : 19 07 1967, Piatra Neamt, Romania

Address: Faculty of Geography, Bd.Nicolae Balcescu 1,
Bucharest, Romania, 010041

Phone: +40722644926

E-mail address: dosaredumitrache@yahoo.com

• Professional informations

Affiliation /Institution-: University of Bucharest, Department of Human and Economic Geography

Title: Professor

Actual position: Head of the Department of Human and Economic Geography (since 2008)

• Professional background

1991-1994: Junior assist.-Department of Human and Economic Geography, University of Bucharest.

1994-2000: Assistant – Department of Human and Economic Geography, Univ. of Bucharest.

2000-2004: Lecturer – Department of Human and Economic Geography, Univ. of Bucharest.

2004-2007: Assoc. Professor-Department of Human and Economic Geography, Univ. of Bucharest

2007- ...Professor - Department of Human and Economic Geography, University of Bucharest

2008-...PhD supervisor, - 'Simion Mehedinti Doctoral School', University of Bucharest

PhD thesis: *Geographical study of the Romanian population health status*, University of Bucharest, 2003, degree awarded-with the distinction *Magna cum Laude*

• Teaching experience

- **Course leader/ Module developer**
- ✓ **Population Geography**-2000- present
- ✓ **Geodemography**--2000- present
- ✓ **Geography of Health and Health Care**-2005-present (module developer, master degree in Territorial Planning)
- ✓ **Geography of Sanitary Resources and Health Tourism**- 2006- present (module developer, master degree in Tourism Management)
- ✓ **Demographic and Social Policies**-2014-(module developer, master degree in Applied Geography and Regional Development)
- ✓ **Geography of Health and Health Care**-2016- (module developer, master degree in Geodemography and Socio-territorial vulnerabilities)
- ✓ **Human Capital and territorial development**- 2016 (module developer, master degree in Smart Territorial Development)

- **PhD supervision** in the areas: Human Geography; Geography of health and HealthCare; Geodemography, on topics:
 - Socio-demographic vulnerability and risks analysis; spatial dynamics of social vulnerability;
 - Demographic Changes and Ageing
 - Population health and wellbeing
 - Disparities in Access to Health Care;
 - The Economic, Social and Cultural Impacts of Migration
- Since 2008 (20 PhD students) within the fields of expertise: Geography of health and healthcare (10) Social geography (4), Geo-demography (2), urban geography (3), economic geography (1)
- **Mentoring activities-**
 - 2014-2015- 2 postdoctoral researchers in urban studies.
 - 2008-2010-3 postdoctoral researchers in geography of health
- **Teacher Training Dissertation supervision-** Since 2004 (over 50, Teacher Training Dissertation, 1st degree,)
- **Dissertation supervision (undergrad. and post graduate-MA degree)-**Since 1997 (over 200 dissertations- Geography of Population, Geography of Health, Urban Geography, Quality of Life)

• Publications
