8. C.N.R.E.D. checks the documents and sends the University the agreement/request for additional information/resolution to invalidate the file. The assessment of the documents and the issuance of the decision of C.N.R.E.D. shall be carried out within a maximum of 30 working days from the date of registration of the complete file. This time limit may be extended in the event of further checks or consultation of external experts.

9. If C.N.R.E.D. finds that the file is incomplete, it informs the institution on the completion of the file within 3 months from the date of receipt of the notification.

10. If the applicant does not complete the file within the specified deadline, C.N.R.E.D. archives

the file, and the procedure will be resumed based on the submission of a new file.

11. The decision of C.N.R.E.D. can be contested only once, within 30 working days from the date of receipt, through a reasoned request. C.N.R.E.D. decides on the requests within 60 working days. The resolution period may be extended in justified cases, the applicant being informed in this regard.
